

About Us Service, Quality, Consistency And Respect

All Pets Club strives to be the change in the pet industry with a goal to exceed expectations in service, quality and consistency in a clean friendly state of the art environment. Built on integrity and strong values, we know the difference between right and wrong and take pride in making it our priority to respect all animals and their owners.

As a unique, family and team driven organization, we are determined to be the solution, not the cause; to help protect animals; to prevent harm; and to surpass standards in pet care. All Pets Club has been bringing families closer together for over 20 years, and our plans for the future are to persistently improve, putting our best foot forward to spread knowledge and continue the circle of life.

An All Pets Club Birthday Celebration

Your child's All Pets Club birthday celebration will be the "talk of his or her friends"! The All Pets Club Birthday Celebration is a unique experience, great for a child of any age! An All Pets Club party can include "arts & crafts" projects with the theme of your choice; leaving your guests plenty of time for cake, treats and gift opening. Our specialized party host team will assist with all aspects of your party - while experienced instructors join in the fun for the "project portion" of the celebration (parties under 10 guests may only have one staff member). All of our party events are geared activity-wise and educationally age appropriate.

No matter which Celebration Package you choose, you will enjoy a unique party space in our very own All Pets Club Dedicated Party Room. In addition, you and your guests will be pampered by one of our Party Host Team Members. Leave the planning and worry to us, the Host will see to your complete set-up, clean-up and keep your party exciting and lively, taking you and your guests from one activity to the next.

Just pick your package and choose your "add-ons" - Depending on what you decide, your celebration may include: mammals, reptiles, birds and our amazing fish and corals. Your hosts will bring them to the party! Just imagine your child's party with puppies, rabbits, chinchillas, ferrets, guinea pigs and hedgehogs - or how about snakes and lizards - or some of our exotic and beloved parrots.
